

INTERNSHIP OFFER LETTER

May 01, 2026

Re: Internship Offer – Mohd Farhan

Dear Farhan,

I am pleased to confirm your acceptance of an internship as a Full Stack Intern at KodeToCareer. This internship is designed to provide you with hands-on experience and professional development in full-stack web development. As part of your role, your duties and responsibilities will include but are not limited to:

- Developing and maintaining web applications using the Full stack
- Building responsive user interfaces with React.js
- Working with Node.js and Express.js for backend development
- Managing and integrating MongoDB databases
- Collaborating with the development team on real-world projects
- Debugging, testing, and optimizing application performance
- Participating in team discussions, code reviews, and project planning

Your first day of work will be May 3, 2026, and the internship is expected to conclude on July 3, 2026. During this period, you will gain practical exposure to industry-level development workflows and modern web technologies.

Your primary supervisor will be the KodeToCareer development team, who will guide and support you throughout the internship duration.

We are excited to welcome you to the KodeToCareer team and look forward to supporting your growth and learning through this internship experience.

Sincerely,

Mohd Arbaaz
CEO, Founder
